

This is the 1949 Minneapolis North High School Men's Tennis Team...

...that went on to win the State High School Tennis Championship that year!

There is one individual on that team that some of you may have heard of. He is pictured in the first row on the far right.

His name is Edwin ("Eddie") Kantar and he went on to become a very well known expert bridge player and teacher (as well as a championship-caliber US table tennis player)!

Unfortunately, we do not currently have the names of any of the others shown. If you recognize any of them, please let me know and we'll let everyone know.)
